CAT BASICS

COURSE DESIGN

The course shall be designed with safety for non-sighthound breeds as a primary consideration. There shall be no turns more acute than 90 degrees. The total length of the course shall be no less than 600 yards and should be as close to 600 yards as possible. The lure will consist of plastic strips. Dogs run singularly in Coursing Ability Tests. Depending on the size and type of dog, the dog will run either the full course or a 300 yard course. The 300 yard distance shall be clearly marked. Safety is of utmost importance. The event committee is responsible for the safety of the course by ensuring they have individuals with sufficient experience and knowledge in course design at the event. The judge is responsible for walking the course prior to the start of the event in order to look for hazards.

DISTANCE AND MAXIMUM TIME

300-Yard Course – This distance is for dogs shorter than 12 inches at the withers and/or brachycephalic (“flat-faced”) dogs. A veteran dog may run 200 yards at the owner’s discretion. A dog must complete this course in less than 1 ½ minutes.

600-Yard Course – This distance is used for all dogs that do not run the 300-yard course. A veteran dog may run 400 yards at the owner’s discretion. A dog must complete this course in less than 2 minutes. If there is a question whether a dog should run the 300 or 600 yard course, the judge will decide.

COLLAR/PARAPHERNALIA

Dogs may wear any collar except a choker collar, a collar with prongs, or an electronic training collar. The collar should be snug to minimize the chances of getting hung up on something during the run. The event committee may, at its discretion, require securing of tags with tape or something similar to ensure the dog’s safety. Owners may use clips or rubber bands to hold the dog’s hair. The owner assumes responsibility for the safety of the dog with regard to the dog’s collar and paraphernalia on the dog. Head halters may be used on the grounds but must not be worn while running the course.

TITLES

Coursing Ability (CA) – Awarded to a dog that passes the Coursing Ability Test three times under at least two different judges.

Coursing Ability Advanced (CAA) – Dog passes the Coursing Ability Test a total of ten times.

Coursing Ability Excellent (CAX) – Dog passes the Coursing Ability Test a total of 25 times.

A numbered title will be awarded for every additional 25 passes.

FAST CAT BASICS

Fast CAT is a timed straight race of 100 yards where a dog chases a lure. Dogs are run singularly and earn points based on their handicapped speed. Titles are issued at designated benchmarks. The dog’s time to complete the 100-yard dash is converted into MPH. A handicap system is applied to a dog’s MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

- 18” or greater = handicap is 1.0
- 12” up to less than 18” = handicap is 1.5
- Below 12” = handicap is 2.0

Points = MPH multiplied by the dog’s handicap

MPH = $204.545 \div \text{time in seconds}$

Titles are earned by accumulating points. The following titles will be awarded:

BCAT = 150 points

DCAT = 500 points

FCAT = 1,000 points

FCAT# = every additional 500 points

To learn more about CAT or Fast CAT, including the complete rule book, please visit the AKC website.

CAT & Fast CAT are open to all dogs 12 months of age or older that are individually registered with the AKC as purebred, Foundation Stock Service (FSS), Purebred Alternative Listing (PAL), or AKC Canine Partners.

Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a test, and in such instances, applicable entry fees will be refunded.

ADDITIONAL TIPS FOR HANDLERS

- The running lane will be enclosed with temporary fencing, including the catch pen which will be at least 50 yards long. It is strongly recommended that prior to running your dog, you have good "recall" control, as the dogs will be off leash. Battery-powered, continuous loop equipment will be used. Lures consist of white plastic. Electronic timing system will be used with manual timing as a backup.
- Handlers are advised to warm up their dogs prior to their run and walk them for 5-10 minutes afterwards.
- Dogs will be brought to the start line on leash and released only upon a verbal signal ("Tally-Ho!") from the huntmaster. Dogs may be released by hand or using a traditional lure coursing slip lead.
- The huntmaster is responsible for field safety and therefore is in complete charge of all dogs and handlers on the field. In service to this responsibility, he/she has the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve a testing dog.
- It is recommended that handlers have someone familiar with the dog at the end of the course to retrieve the dog, or have someone else release their dog at the start line. The handler is expected to promptly secure the dog and leave the field with the dog on leash.
- The handler may *not* run down the course to entice the dog to run, or use toys/treats to get the dog to run. They *can* call their dog from the catch area. Toys and treats may be used to help catch the dog, but must be concealed until the dog crosses the finish line.
- A \$5.00 fine may be assessed for any loose dog on the field that is not competing in the course in progress.
- Exhibitors should follow their veterinarian's recommendation to ensure their dogs are free of parasites, any communicable diseases, and have appropriate vaccinations.
- Any person, upon reasonable complaint, may be asked to leave the grounds of the test by the Field Committee and may be disciplined by the AKC. Children must be under control of their parents or guardian(s) at all times.
- Entries will not be accepted without fees, signatures, or the "Agreement" found on the Official AKC Entry Form. Bitches in season and lame dogs will be excused. Entries will be refunded.
- No entry fees will be refunded if the event cannot be started or completed by reason of riots, civil disturbances, fire, extreme and/or dangerous weather conditions, an act of God, public emergency, act of a public enemy, strikes, or any other cause beyond the control of the club or its members and representatives.
- ALL DOGS RUN AT OWNER'S SOLE RISK. The event-hosting club, its agents, members, representatives, volunteers, etc., and Time To Fly Performance Dog Sports, assume no liability or responsibility for any loss, damage, or injury sustained by exhibitors, handlers, spectators, or to any of their dogs or property before, during, or after this event.

DOG FRIENDLY HOTELS/MOTELS/CAMPGROUNDS

A message from the field trial chair:

FUN RUN PROCEEDS TO BENEFIT PET CHARITIES

Research shows that often people with pets, when faced with the choice of feeding themselves or feeding their animal companions, choose to give their own meals to their pets. In an effort to provide pet food as well as human meals to area Meals On Wheels participants, WCDFA calls area departments each month and ask what type of pet food is needed. We purchase food and deliver it to the area departments, where it is re-bagged into one-gallon bags and delivered weekly to MOW pet owners to ensure they have appropriate pet food in their homes. One half of the fun run proceeds will help support our club's long-standing partnership with area Meals

On Wheels departments. The second half of the proceeds will be donated to IFAW (International Fund for Animal Welfare) to provide emergency relief to care for animals in shelters, zoos, and sanctuaries in Ukraine.

On another note, we are excited to announce that we plan to have a food truck onsite each day. Please support this small business in any way you can.
