**Coursing is an athletic activity that can tax a dog's physical strength. Dogs that are overweight and/or out of condition may be at greater risk for injury and exhaustion. The Inspection Committee has the authority to disallow a dog's entry into a test, and in such instances, applicable entry fees will be refunded.**

## **FAST CAT BASICS**

The FAST CAT is a timed straight race of 100 yards where a dog chases a lure. Dogs are run singularly and earn points based on their handicapped speed. There are no placements. Titles are issued at designated benchmarks. The dog's time to complete the 100-yard dash is converted into MPH. Dogs earn points based on their handicapped speed. A handicap system is applied to a dog's MPH to determine the number of points earned. The handicap system is based on the height of the dog at its withers:

- 18" or greater = handicap is 1.0
- 12" up to less than 18" = handicap is 1.5
- Below 12" = handicap is 2.0

Points = MPH multiplied by the dog's handicap

MPH = 204.545/time

Titles are earned by accumulating points. The following titles will be awarded:

BCAT = 150 points

DCAT = 500 points

FCAT = 1,000 points

FCAT# = every additional 500 points.

## **TIPS FOR HANDLERS**

**1. The running lane will be totally enclosed, including a long catch pen. There is no exterior fencing around the property.**

**2. It is strongly recommended that prior to running your dog, you have good “recall” control over your dog, as the dogs will be off leash.**

**3. Handlers should wear comfortable shoes and be physically able to hold and release their dogs, as well as catch them.**

**4. Dogs will be brought to the start line on leash and released only upon a verbal signal (“Tally-Ho!”) from the Huntmaster. Dogs may be released by hand, folded leash, or using a traditional lure coursing slip lead.**

**5. Handler should have someone familiar with the dog at the end of the course to retrieve the dog or have someone else release their dog at the start line. The handler is expected to promptly secure the dog and leave the field with the dog on leash.**

**6. Fast CAT is a physically demanding sport so please make sure your dog is in good shape. If you are not sure, make an appointment with a veterinarian to get an opinion.**

**7. Handlers are advised to warm up their dogs prior to their run and walk them for about 10 minutes afterwards.**

**8. Any person, upon reasonable complaint, may be asked to leave the grounds of the test by the Field Committee and may be disciplined by the AKC. Children must be under control of their parents or guardian(s) at all times.**

**\*\* Western Carolina Dog Fanciers Association, its members, and Time To Fly Performance Dog Sports, will not be responsible for any accidents at this trial.**

A message from the Field Trial Chair:

***FUN RUN PROCEEDS TO BENEFIT AREA MEALS ON WHEELS PETS***

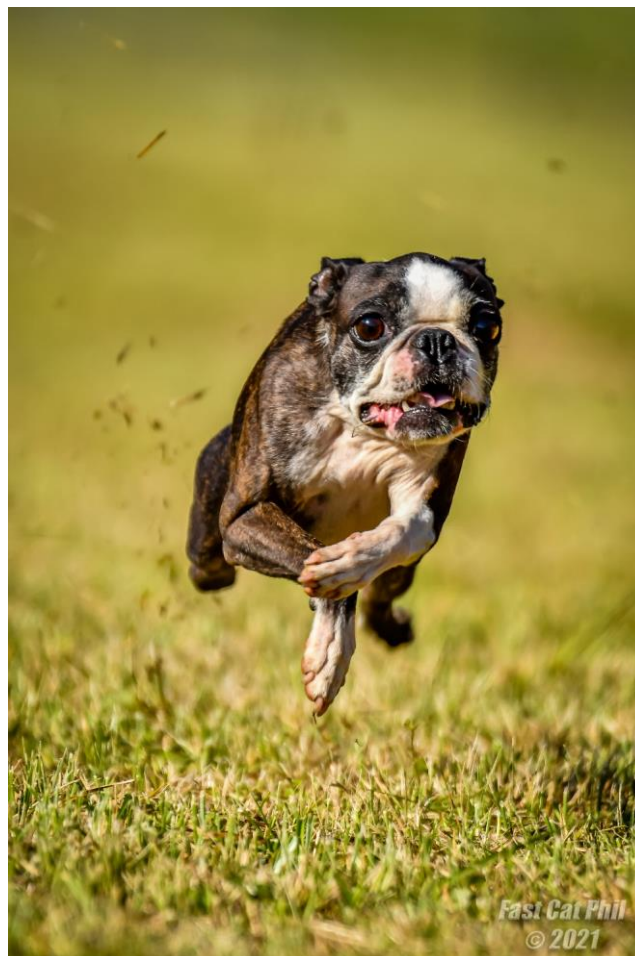

Research shows that often people with pets, when faced with the choice of feeding themselves or feeding their animal companions, choose to give their own meals to their pets. In an effort to provide pet food as well as human meals to area Meals on Wheels participants, WCDFA calls area departments each month and ask what type of pet food is needed. We purchase food and deliver it to the area departments, where it is re-bagged into one-gallon bags and delivered weekly to MOW pet owners to ensure they have appropriate pet food in their homes. Fun Run proceeds will help support our club's long-standing partnership with area Meals on Wheels departments.
